F.F.C. Edmonds, Esq., M.A., B.Sc.,

Inspector of Schools, Coorg and Bangalore.

To

The Secretary to the Hon'ble the Resident

in Mysore, Bangalore.

Sir,

I have the honour to forward herewith an application from the Correspondent, St. Aloysius Secondary School for a grant towards providing a flush out latrine for the school together with the plan and estimate prepared by the Municipal Executive Engineer. I have expressed myself as dissatisfied with the sanitary arrangements of this school at more than one inspection and I strongly recommend this application for a grant towards the cost of new latrines.

The estimated cost of the work amounts to Rs.834/- and I recommend, that under rule 43 of the Grant-in-Aid Code for Indian Schools in the Civil and Military Station, Bangalore, a grant not exceeding Rs. 417/- or one half of the actual cost, whichever is less, may be sanctioned.

The amount will be met from the allotment under "Account II- Education - B.Secondary - Grants-in-Aid to Non-Government secondary schools. Building and Furniture grants" in the current year's Mysore Assigned Tract budget.

I have the honour to be,

Sir,
Your most obedient servant,

F Edmonds

Inspector of Schools,
Coorg and Bangalore.
